The attached draft eliminates provisions of ASA1 to SB-40 relating to implementation of the federal REAL ID Act and prohibits DOT from implementing the federal REAL ID Act. (AA1 to ASA1 to SB-40 does not include REAL ID-related treatments.) The attached amendment also eliminates funding for REAL ID implementation, eliminates position authority for REAL ID implementation, and eliminates a driver license "surcharge" for REAL ID implementation.

Because of the extremely limited time to draft this amendment, I have not "double drafted" provisions that are eliminated in AA1 to ASA1 to SB-40, the Assembly Republican compiled amendment, but have assumed that amendment will be adopted.
